RELEASE OF LIABILITY

I accept the standard liability insurance as provided by the diocese and I release the Diocese of East Tennessee from all liability beyond this coverage. I have read the "Community Covenant" and understand that a particular standard of behavior is asked of all participants, and that by signing the covenant, I agree to abide by that standard. I understand that any violation of this Community Covenant may warrant disciplinary action by the event staff, and may include expulsion from the event site. I understand that, as an adult participant, I am responsible for helping to chaperone any youth participants from my parish and will assist the event leadership in doing so.

I release the Episcopal Diocese of East Tennessee to record my likeness, via still photograph, video, or audio recording, to be used for the sole purpose of promoting youth ministry in print, video, and on the Internet. I waive all rights for compensation.

What Is Happening?

HAPPENING is a weekend presented by teenagers for teenagers. The weekend is spent in a relaxed, fun, informal, loving environment sharing your faith in a Christian atmosphere. A young person who acts as "rector" leads the weekend with the help of clergy and a staff of mostly young people. The weekend is open to youth in grades 10, 11, and 12. Adults who are youth leaders/educators or clergy in their parishes, or who are parents of Happening community members are also invited to attend.

HAPPENING encourages teenagers to relate the foundations and message of the Christian faith to their world. A **HAPPENING** weekend is just a beginning. The idea is to get closer to God during the three-day program and continue to grow in the Christian way of life. **HAPPENING** encourages participation in the local parish.

The format of the weekend includes talks and discussions on the basic elements of Christian life and its application to daily living. The sacraments of the church also play an integral part throughout the weekend. This weekend is sponsored by the Episcopal Church and we will be celebrating some of the sacraments according to the Episcopal Book of Common Prayer. We encourage people to live fuller Christian lives in their respective denominations.

What do I bring?

The Happening weekend begins on Friday at 8:00 PM sharp (registration opens at 7:00) and ends on Sunday at 5:00 PM. Please avoid early arrival as our registration table is not staffed until 7:00 PM. Please bring clothes for the weekend, toiletries and a towel (showers available), musical instruments (if you like), sleeping bag and pillows/padding, and an open mind!

Please **DO NOT BRING** homework, pets, items prohibited by the Community Covenant, portable music/video/game devices, preconceived notions.

Your application MUST BE completed and returned NO LATER THAN February 19, 2010. You will receive a letter of confirmation that includes other necessary information for the Happening weekend. Total cost for the Happening weekend is \$55, and a non-refundable deposit of \$15 must accompany the application. The balance (\$40) is due at the beginning of the event. Make checks payable to Youth Action Council, and mail checks and applications to:
